Outdoor Family Fun:

Minibeast Hunting!

On your next outdoor adventure why not have a hunt for minibeasts? Be gentle with all the minibeasts you find. Look what we found!

The kit, (any old spoon will do).

Carefully lift logs, ask for adult help.

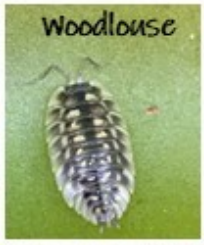

Gently brush / spoon them in.

Replace the log & put bugs back.

The kit (use an old pillow case).

Spread it out below a branch.

Shake the branch, see who falls out!

Try a different species of tree.
